TMCC is an EEO/AA (equal employment opportunity/affirmative action) institution and does not discriminate on the basis of sex, age, race, color, religion, physical or mental disability, creed, national origin, veteran status, sexual orientation, genetic information, gender identity, or gender expression in the programs or activities which it operates.

# PROGRAMS AVAILABLE IN YOUR SCHOOL

## What We Do

The Career and Technical Education (CTE) College Credit Program awards free college credit for approved high school CTE programs. The approved CTE programs are a sequence of high school elective classes, taught by **YOUR** teachers, in **YOUR** own high school.

Earning **FREE** college credit saves you time and money by helping you complete your college degree, certificate, or industry credential more quickly, because you are not repeating coursework you already mastered in high school!

## Who is Eligible?

High school students who receive the Nevada Department of Education Certificate of Skill Attainment qualify for free college credit. To be eligible you must:

1. Complete the CTE program course sequence with a B average or higher.
2. Pass the State End-of-Program Technical Skills Assessment.
3. Pass the State Workplace Readiness Assessment.

CTE Program	Course Sequence	Possible Credits
Construction Technology	Construction Technology I Construction Technology II Construction Technology III	13
Drafting and Design	Drafting and Design I Drafting and Design II Drafting and Design III	9
